Year of Establishment	2020
No. of Employees	5
Summary of Offer	Export / Manufacturing to order / Cooperation
<p><u>Description:</u></p> <p>Our company is a privately owned business. The atelier is stationed in Antalya, Turkey. Here we design and manufacture all types of work clothes, uniforms and merchandise clothes etc.</p> <p>Despite our establishment in 2020, we have been operating as an individual entrepreneur for 15 years. So we can guarantee quality brought by the years of experience and dedication to the work we do.</p> <p>For clothing we produce we use only certified fabrics which we get directly from the manufacturer. We have been working with variety of different fabrics depending on our clients' needs.</p> <p>We work to order. Every order being special approached by our designer, so we may assure you that the designs will match your desire and will be made unique for you. The personnel working with us are a quite experienced tailors and seamstresses tested by years of learning and hard work.</p> <p>Our main advantage is that we are not bound to a certain field of activity. Our clothes are being used by the industrial workers, hospitals, restaurants, government institutions etc.</p> <p>The company is looking for clients with who we are ready for long term cooperation. We see our clients not just as a client but as a partner. We believe that peoples mind will lead to success, but first they are greeted by clothes. So we would be honored to be the part of yours.</p>	
Potential Partners	Importers
