#### **Brief Introduction**

The Chinese General Chamber of Commerce (CGCC) is a non-profit making organization of local Chinese firms and businessmen. Founded in 1900, CGCC is one of the oldest and largest chambers of commerce in Hong Kong. At present, we have a membership of nearly 6,000, comprising association, company, individual and affiliate members. Our members' businesses cover a wide spectrum of commercial and industrial activities in the territory, including manufacturing, import and export, banking, insurance, real estate, building and construction, IT, professional services, transport and communications, foods, retail and wholesale, catering and tourism, etc.

Ever since its establishment, CGCC has been pursuing a mission of serving the community while advancing with the times. We facilitate information exchange in the business community, foster international communication and promote trade and commerce. We also maintain close relations with our counterparts around the globe, especially overseas Chinese business associations. With our close and friendly ties with business organizations in the Mainland, we play a significant role in facilitating the foreign trade of China and the investment of Chinese entrepreneurs worldwide. To support China's open door policy, we have been organizing training courses to nurture Mainland talents in business management since 1982.

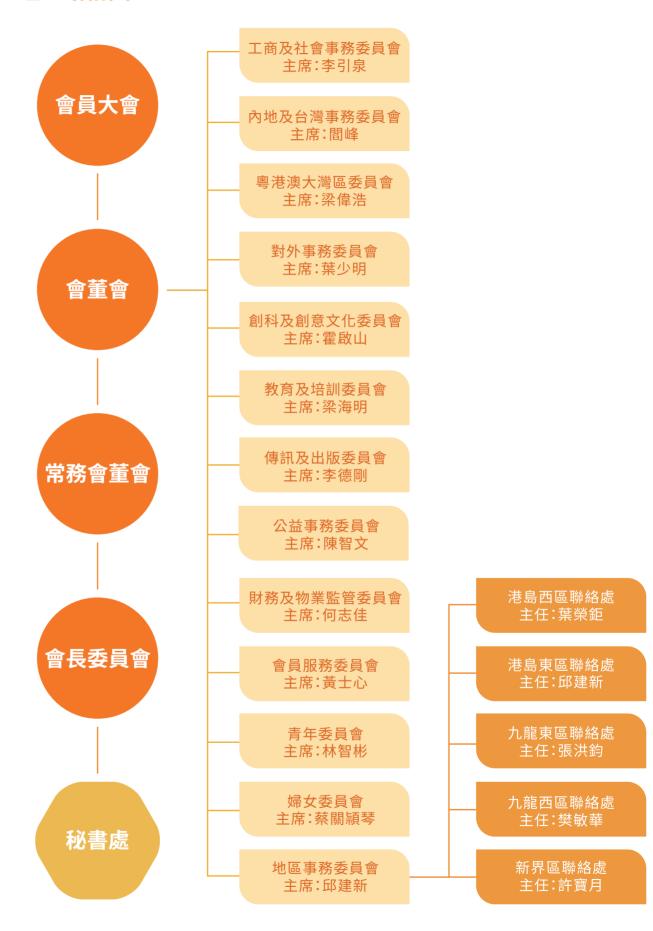

To forge closer ties with the Mainland, CGCC set up a Guangzhou office at the CGCC Nansha Building in 2007, which provides networking and supporting services for Mainland, Hong Kong and overseas enterprises in the PRD (Pearl River Delta) region. Furthermore, the Greater Bay Area was established to strengthen Hong Kong's economic cooperation with different regions in the Mainland.

We strive to make the voice of the local businesses heard in social affairs. CGCC is represented in the Legislative Council, Labour and Welfare Bureau, Commerce and Economic Development Bureau, and a number of public bodies and business organizations. Moreover, we maintain close dialogue with government departments and are often consulted on business related policies. To express the business community's care for society, we launched the "We Care•We Share" Campaign in 2009 to help the grassroots and the disadvantaged by concrete and sustained efforts. CGCC supports the HKSAR Government's work, and is committed to maintaining the stability and prosperity of Hong Kong while promoting the implementation of the "One Country, Two Systems" and "Hong Kong People Running Hong Kong" principles.

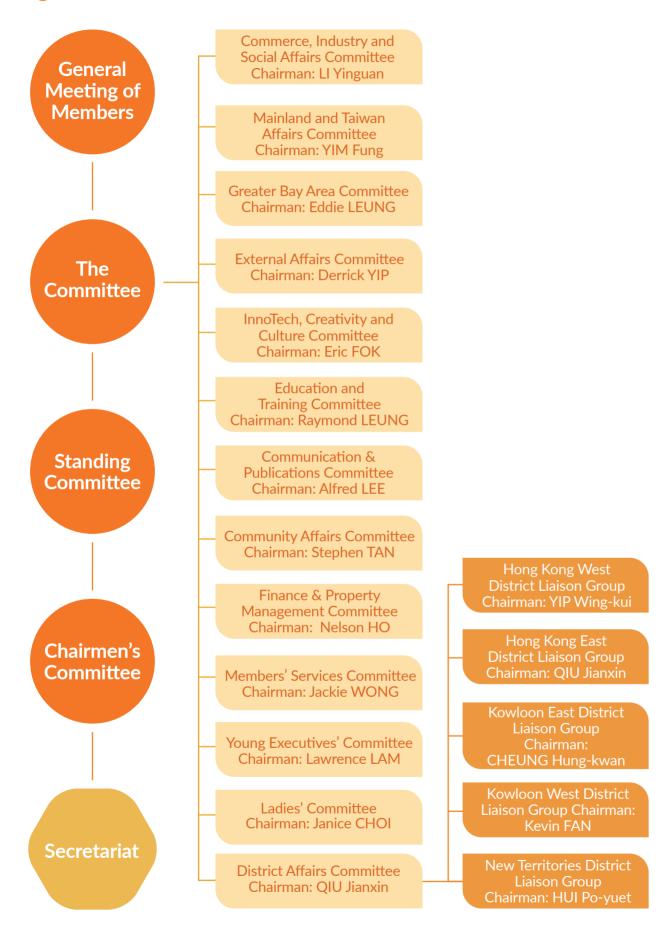

In 2000, CGCC's centenary, we were extremely honored to receive President Jiang Zemin's uplifting message in calligraphy: "Promote the fine tradition of loving the nation and Hong Kong, maintain the long-term prosperity and stability of Hong Kong." Besides, Chairman Li Ruihuan of the National Committee of the Chinese People's Political Consultative Conference (CPPCC) extended his congratulations to the Chamber in person. In 2020, CGCC's 120th anniversary, we were deeply honored to receive congratulatory inscriptions from Chairmen of the CPPCC Wang Yang in recognition of CGCC's century-long contribution to the prosperity and advancement of Hong Kong and the Motherland.

Looking forward, we will continue to move with the times and make the Chamber an organization that reaches out to the world with roots in Hong Kong and backing of the Mainland. While exploring business opportunities with our members, we will drive Hong Kong to become a metropolis featured by high efficiency and close ties with the global market.
